Pursuant to this Court's Order Vacating CMC and Setting Motion Deadline, filed February 3, 2022 (ECF 30), Plaintiffs Thomas Iglesias, David Salazar, Olivia Thurman, and Bethany Torbert ("Plaintiffs") and Defendant For Life Products, LLC ("Defendant") (collectively, the "Parties") submit this Joint Status Report.

Uncertainty re: Required Status Report. At the time the Court entered the February 3, 2022 order, the deadline to file Plaintiffs' motion for class certification was May 11, 2022. Order, 2/3/2022 (ECF 30); Scheduling Order, 5/17/2021 (ECF 20). Subsequently, on March 2, 2022, the Court entered the Stipulated First Amended Case Management Scheduling Order, which continued the May 11, 2022 deadline to August 9, 2022 (approximately 3 months). ECF 32. As such, the Parties are uncertain of whether the Court requires a joint status report. However, the Parties file this report out of an abundance of caution.

Status Discovery/Class Certification. Currently, the Parties are engaged in discovery and anticipate that, with good faith efforts and reasonable cooperation, they can complete discovery prior to the August 9, 2022 class certification deadline. In the event that any Party determines it is necessary to adjust the current scheduling order, the Parties will meet and confer and address that need with the Court when it is appropriate.
